Here at JB Plastic Products we provide products that will improve your profitability and enhance your customers experience. We have over 35 years of experience in designing and fabricating new and innovative products. Put JB Plastic Products experience and engineering abilities to work for you by selecting one of our ready made convenience solutions, or let our company provide custom made products tailored to fit your needs.

Tell us a little about your needs and we will create a product to exceed your expectations. All of our products stand on our reputation of quality and service excellence. We will always be available for service and follow-up. We are there when you need us! This is our pledge to you.

JB Plastic Products offers competitive pricing, especially in volume. Please contact myself, Jim Boykin, or Priscilla Gray to discuss how we can help you achieve your goals, or to set an appointment.

JBPRODUCTS2010@AOL.COM

At JB Plastics we make every effort to make sure information in this catalog is correct, however due to fluctuations in the petroleum and plastics industry pricing may, on rare occasions, need to be adjusted for inflation. Our website is considered to be the most up to date pricing. If you have an outdated catalog we will make every effort to honor the pricing therein, but in some cases pricing must default to current website values.
